To All Bidders:

**Re: Clarification No. 1 for Tender No. EAPC/OT/229/2020: Outsourcing of Limestone Mining Operations at Kabini Quarry.**

Reference is made to the above tender.

Following enquiries from some bidders, EAPC Plc would like to make the following clarifications:

1. "Excavator size (4-5 tons is too small for mining)"  
*5tons and above bucket capacity excavator can do.*
2. "We need to know whether the truck is articulated or Rigid"  
*Articulated or rigid dumper can do provided its 40tons+ capacity as required.*
3. "And the bulldozer specs"  
*Dozer of equivalent to CAT D8 and above can work.*

All the other terms and conditions of the tender remains as set out in the tender documents and as earlier advised.

Yours faithfully,
